Dear Potential Sponsor:

I am writing on behalf of Generation Her, a nonprofit 501(c)(3) tax-exempt charitable organization, that serves pregnant teenagers, young mothers and their children at our 7 locations throughout the Los Angeles and Orange Counties. Since 2009, Generation Her continues to expand it's programs and services, in order to provide a supportive environment where young women and their families can receive life skills classes, academic and carrer support, and individualized mentorship. It is our mission to empower our clients to pursue their dreams and become independent mothers for a lifetime. With your help we can make a positive impact on their lives and lives of their children.

Generation Her would like to cordially invite you to participate in our anual fundraising event. ***Generaion Her's 10 Year Anniversary Benefit*** will be held in March 2020. All proceeds generated from the event will be used to fund and facilitate Generation Her's weekly programs and activities throughout the year.

If you would like to become a Corporate Sponsor for this event by donating a silent auction item, raffle prizes, donating a catered meal or part of a catered meal for this event or gift monetary donations please contact us.

We look forward to your partnership as you join our mission to support the community of young mothers and children of our organization. All contributions toward Generation Her are tax-deductible and all donors will be featured at our event, as well as on our organization's social media pages to recognize all forms of sponsorship.

For more information about our organization, upcoming events, and ways to become involved please visit our website at www.generationher.org.

Thank you for your consideration,
